Sir:

**SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT  
UNDER 37 C.F.R. § 1.97(b)**

Pursuant to 37 C.F.R. §§ 1.56 and 1.97(b), Applicant brings to the attention of the Examiner the documents on the attached listing. To the knowledge of the undersigned, this Supplemental Information Disclosure Statement is being filed before the mailing date of a first Office Action on the merits for the above-referenced application, and is being filed in addition to the Information Disclosure Statement filed on January 28, 2004. and the Supplemental Information Disclosure Statement filed August 12, 2005.

Each document listed in this Supplemental Information Disclosure Statement was first cited in a Search Report from the European Patent Office in a counterpart foreign

application. This Supplemental Information Disclosure Statement is being filed within three months of the mailing date of that communication.

Copies of the listed foreign patent documents are attached. Applicant respectfully requests that the Examiner consider the listed documents and indicate that they were considered by making appropriate notations on the attached Form PTO/SB/08 and returning the form with the next communication from the Office.

In lieu of a statement of relevance or translation of the non-English documents, the Search Report, which cites these documents and settings forth the relevance thereof is enclosed. Applicant does not necessarily endorse the conclusions set forth in the European Patent Office Search Report.

This submission does not represent that a search has been made or that no better art exists and does not constitute an admission that each or all of the listed documents are material or constitute "prior art." If the Examiner applies any of the documents as prior art against any claim in the application and Applicant determines that the cited documents do not constitute "prior art" under United States law, Applicant reserves the right to present to the Office the relevant facts and law regarding the appropriate status of such documents.

Applicant further reserves the right to take appropriate action to establish the patentability of the disclosed invention over the listed documents, should one or more of the documents be applied against the claims of the present application.
